Pastoral & Chaplaincy Assistant

St George's, a growing and inclusive church, is looking for a pastoral assistant for the year beginning in September 2017. This is an exciting and challenging role for anyone looking to see God's kingdom come and share God's love in our diverse, fast-changing community — whether you are exploring a call to ordained ministry or looking to develop your gifts as a lay-person in the church.

A typical week might involve:

Monday: As each day, begin in prayer, joined by local office-workers. Then lunch with members of the Mental Fight Club's *Dragon Café* that meets in our large and spacious crypt each week. Chair a meeting

Max's Story

My time at St George's has been quite something! I have experienced more than I could have ever dreamed of during my year here. From leading morning prayer and serving at the altar to sleeping in the crypt during our night shelter and planning a week long arts festival, I can say with absolute certainty that I've been thoroughly prepared for

planning our major annual community event, the St George's Festival. As each day, end with evening prayer.

Tuesday: Join the weekly leadership meeting as we explore the next steps in our church's journey. Spend the evening helping lead Alpha for those exploring the Christian faith for the first time.

Wednesday: Lead collective worship at our Primary School, St Jude's. Then run a drop-in providing pastoral support to students at London South Bank University, where we are chaplains. Attend the lunchtime eucharist. Spend the evening with the Young Adults discussion group at the Rectory.

Thursday: Welcome visitors to our popular free lunchtime concerts, and then enjoy coffee and cake with regulars and newcomers to our afternoon Community Café and Foodbank.

Friday: Lead volunteers for our Robes project, providing a winter night-shelter for rough sleepers.

Sunday: Join in worship, whether serving in the eucharist or running the primary or secondary school-age groups. Dine on one of our famous parish lunches! Then refresh in the evening with compline, followed by pizza and wine.

This is not a role for the faint-hearted! But it is a chance to be deeply transformed as you seek to work out what it means to live a Christ-shaped life.
